

Environmental conditions

Ambient temperature -40...250 °C

General data

Scope of delivery Protective hose, 1 roll
Short description Silicone-fiberglass tube
Use for cable guard
for weld protection

Material

Hardness 35 ±5 Shore A
Material Glass fiber jacketed
Silicone rubber, red

Mechanical data

Diameter 2 19.00 mm
Dimension Ø 26 x 15000 mm
Expansion 25 %
Tensile strength 2.76...3.45 N/mm²
Wall thickness t 3.5 mm

Remarks

Flame-retarding
Maximum temperature at outer jacket from weld spatter/beads short-time 1200°C.
