

HF (13.56 MHz)
HF-0405-ANT-03
ANT 18MM/D
REMOTE 1M CAB

BALLUFF

1) Sensing surface, 2) Tightening torque

Electrical data

Antenna impedance	50 Ohm
EN 300330-1	Power Class 5

Environmental conditions

Continuous shock load	yes
EN 60068-2-27, Shock	yes
EN 60068-2-32 Free fall	yes
EN 60068-2-6, Vibration	yes
IP rating	IP65

General data

Antenna type	Square
Approval/Conformity	CE WEEE

Material

Housing material	undefined
------------------	-----------

Mechanical data

Installation	metal-free (clear zone)
--------------	-------------------------
