

1) not included in scope of delivery, 2) Magnet, 3) Active surface data carrier, 4) Read/write head installation, 5) Read/write head, 6) Magnetic north direction, 7) Spacer, 8) Threaded pin

Environmental conditions

Ambient temperature -25...70 °C

General data

Application Assembly  
Principle of operation Inductive Couplers  
Short description Magnetic holder  
Style block style  
Use for inductive couplers Q40,  
Remote  
Version Magnetic holder

Material

Housing material POM  
Material POM black

Mechanical data

Dimension 73.25 x 66.5 x 62 mm  
Size 40x40

Remarks

Fits BAM0334
