

FOUNDATION™ fieldbus and PROFIBUS-PA IP20 Junction Box with Short-circuit Protection, 6-channel JRBS-40DC-6RV

The junction box is designed for fieldbus systems acc. to IEC 61158-2, i.e. it is suited for both FOUNDATION™ fieldbus and PROFIBUS-PA. When connected to a suitable power supply unit, it can also be used in Ex applications.

The junction box features a short-circuit limiter at each drop line/spur ($\leq 51\text{mA}$). No more than one field device should be connected to each drop line/spur.

The housing is made of anodized extruded aluminum in IP20.

Note: It must be ensured that there is sufficient equipotential bonding in the system. The device is connected to the equipotential bonding via the housing's M5 x 1 grounding bolt.

The shielding is established via the 3-pin screw terminals and is internally connected with the M5 threaded bolt for equipotential bonding. A second M5 threaded bolt is available for capacitive shielding. Both bolts are not connected to the housing.

Accessories: For a higher protection rating, we offer different aluminium and stainless housings in IP6x with various cable glands.

- Entity and FISCO compliant according to IEC 60079-11
- Junction box for DIN rail mounting
- Short-circuit protection per drop line/spur
- Pre-assembled terminating resistor
- Cable shielding: Capacitive or direct connection established via two M5 threaded bolts
- Aluminium housing

FOUNDATION™ fieldbus and PROFIBUS-PA IP20 Junction Box with Short-circuit Protection, 6-channel JRBS-40DC-6RV

Dimensions

Type designation	JRBS-40DC-6RV
Ident-No.	6611833
Fieldbus standard	IEC 61158-2
Operating voltage range	9...32 VDC min. 10.3 VDC acc. to FF-846
Current self-consumption	≤ 10 mA
Voltage drop	≤ 1V, (trunk/spurs)
Voltage drop	≤ 0.005 V, (trunk in/out)
Trunk-to-trunk current	≤ 2 A
Output circuits	Field
Output current	≤ 41 mA
Short-circuit protection	≤ 51 mA
Indication	
Operational readiness	1 x green
Short-circuit message	6 x red
Bus communication	1 x yellow
Ex approval acc. to conformity certificate	IECEX FMG 15.0020X
Ex approval acc. to conformity certificate	FM 15 ATEX 0036 X
Ex approval acc. to conformity certificate	FM 16 ATEX 0025 X
FM approval	FM 16 US 0073 X
Electrical connection	Removable terminal block, reverse polarity protected, screw connection
Terminal cross-section	0.2...2.5 mm ² (24 ... 13 AWG)
Earthing bolt	M5 x 1
Protection class	IP20
MTTF	117 years acc. to SN 29500 (Ed. 99) 40 °C
Ambient temperature	-50...+70 °C
Storage temperature	-60...+85 °C
Housing material	Aluminium
Housing color	Black/Yellow
Dimensions	140.8 x 75.5 x 49 mm
Connection mode	snap-fit on DIN rail (DIN 60715)
